

Occupational Licensing

How to Check Online Application Status

Follow the steps below to check the status of your application:

1. [Log in](#) to your MyDMV Occupational Licensing account:

Set up access to Occupational Licensing online services.

- *Do you have a license, permit, or agreement with California DMV Occupational Licensing?
- ☐ YES, I have a current or past license, permit, or agreement for either myself or a business.
 - ☐ NO, I've never had any licenses, permits, or agreements.

Start

I already set up access to Occupational Licensing:

Log in to MyDMV

2. Select “My Applications” from the top navigation bar or icon below. Your current applications will now be displayed.

3. Locate the application you are inquiring about from the list. The status of the application will be located on the far right of the page.
